To Our Amazing Warwick Community:

I am writing to share that I will be stepping down from my position as Executive Director of the Warwick Community Hub (the HUB) on June 30, 2026. Words alone cannot express my gratitude in being able to serve this community through the HUB over the past several years.

I know that the HUB is in great hands moving forward. Since our inception, we have worked together to build the HUB not only to meet the needs of people today, but also far into the future. I have full confidence that our team will continue to meet needs in our Warwick Community and have equal confidence that our Board of Directors will continue to provide valuable guidance, leadership, and insight as new challenges present themselves in our community. Additionally, the work of the HUB is supported by an amazing group of committed volunteers and friends who make this work possible. It has been my great privilege to serve alongside such a dedicated team and to witness the incredible impact of the HUB each day.

In closing this chapter, I want to thank each of you for your unwavering support, prayers, and resources. We could not have done any of this without the support of our amazing Warwick Community. I wish the HUB and each of you continued success in all your endeavors.

Sincerely,

Steven Jeffrey
